Sunday Afternoon: 5th Annual David Kearney Memorial Golf Tournament

- Shotgun Start at 12:30 p.m.

Sunday Evening: Welcome Reception • 6:30-8:00 p.m.

MONDAY, OCTOBER 30

Insight 2015, Book Today, Here is the Agenda

K.D. Malowanec, Senior Vice President
Paul Hartmann AG

Resin Bonded Nonwovens in Today's Hygiene Market

Sorin Crainic, Group Manager, Product Development
Amantea Nonwovens, LLC

Part 1: Developments with Olefin Fibers & Nonwoven Fabric Technology - A Tutorial

Ed Engle
Engle Consulting

LUNCH • 12:00-2:00 p.m.

Part 2: Developments with Olefin Fibers & Nonwoven Fabric Technology - A Tutorial

Ed Engle
Engle Consulting

Developing Markets - The Growth Engine for Hygiene Products

Pricie Hanna, Vice President
John R. Starr Inc.

Prismatic Monochromatic Light Microscopy - A 10,000X Breakthrough Tool for Medical Nonwovens Fabrics

Eric Rowley, Advanced Development Engineering Manager
Conversion Technologies International
Stanley Truman, Independent Researcher

In Our Opinion - Fluff & Specialty Pulps in The Past, Present & Future

Fred Barlow, President
BISS
Don Young, Director Commercial Development
Marketing Technology Service, Inc.

MTS COCKTAIL PARTY • 6:30-8:00 p.m.

TUESDAY, OCTOBER 31

Development of the Airlaid Business - What a Long Strange Trip It's Been

William P. Stevens
Consultant

World Demand & Supply Outlook for Spunbonded Polypropylene & Spunbonded/Meltblown Composites 2005 - 2010 - An Update

David J. Price, Senior Consultant
John R. Starr, Inc.

Location, Location, Location - That is the Question & Answer for Implementation of Absorbent Products

John M. Tharpe, P.E.
Marion Engineering & Technical Services Inc.
Dave Nelsen, Marketing Director
R & L Engineering, Inc.

Nanononwovens for Hygiene Application

Thomas Broch-Nielsen, R & D Project Manager
Fibertex A/S

LUNCH • 12:00-2:00 p.m.

Nanoval Spinning - A Way to Submicron & Nano Fibers

Martin Stobik
Nanoval GmbH & Co. KG

VILOFT - The Route to Flushability

Stefan Sulzmaier, Business Manager, NW Group
Kelheim Fibres GmbH

Key Trends in the Global Hygiene Products Industry: Product & Consumer Sophistication Set the Scene

Stacy Neier, Account Manager
Euromonitor International

The Full Monte

James P. Hanson, Director
Marketing Technology Service, Inc.

WEDNESDAY, NOVEMBER 1

New Approach to Odor and pH Control in Personal Care

Jacek K. Dutkiewicz, R&D Manager, Product and Market Development
Buckeye Technologies Inc.

Fiber Finishes & Additive Options for Synthetic Fibers

Horst Ring, R & D Manager
Schill & Seilacher GmbH & Co. KG

Cellulose Meltblown Nonwovens Based on the Lyocell Process

Marian Herz, Market Director
Amar Neogi, Director Renewal Research
Weyerhaeuser Cellulose Fibers

A Fresh Look at a Proven Technology - The Use of Flotation Dryers in Nonwovens Applications

Michael Sellers, Sales & Marketing Manager
Advance Systems, Inc.

LUNCH • 12:00-2:00 p.m.

Elastic Bico Bonding Fibers

Prashant Desai, Director, Business Technology
FiberVisions Incorporated
Seiichi Noda
ES FiberVisions

Roll Handling: Bottleneck or Opportunity?

Paolo Dini, Sales and Marketing Director
A. Celli S.p.a.

High Throughput Electrospinning for the Surface Application of Nanofibers

John Robertson, CEO
InfoSight Corporation
Ashley Scott
NanoStatics LLC

Absorbent Core: The Next Generation (and Beyond)

Phillip Mango, President
Phillip Mango Consulting

TABLETOP EXHIBIT RECEPTION • 5:30-8:00 p.m.

THURSDAY, NOVEMBER 2

Absorbency: Does Anybody Really Know What It Is?

Carlos E. Richer, Director
Richer Investments

Papyrus To Sea Sponge - Design is the Critical Element for Tampon Production

John M. Tharpe, P.E.
Marion Engineering & Technical Services Inc.

100 Times Higher PUR Coating Speeds for Nonwovens with Near Infrared

Walter Becker, Department of Chemistry
Niederrhein University of Applied Sciences

LUNCH • 12:00-2:00 p.m.

Profit from Effective Dust Testing

Bob Makolin, Principal
Bob Waldron, Principal
Abba Makolin Waldron & Associates, LLC

Biodegradable Low Cost Superabsorbents for Diapers are on the Way!

David G. Crowther, Principal
Professional Engineering Solutions
Zvika Meiri, CEO
Exotech Bio Solutions

SURVIVORS' MUSIC NIGHT

(Informal, impromptu search for musical entertainment - not for business... just for fun)

• This Program is subject to change •

5th ANNUAL DAVID KEARNEY GOLF TOURNAMENT (Independently organized by friends of David):

Sunday October 29, 2006 • Shotgun start at 12:30 p.m. • Stonebridge Golf Course • www.stonebridgegolf.com

Please join in an afternoon of fun in the Tennessee sunshine, meet some new people, and kick off the 2006 INSIGHT Conference. This event is a fundraiser for the Leukemia & Lymphoma Society in honor of our friend Dave Kearney who lost his 3 year battle with leukemia in March 2002. Cost is \$55.00 and includes greens fees, cart, range balls, lunch and prizes! Rental clubs are available. To sign up to play please contact:

- Pat Kellogg -- E-mail: Kellogg1@bellsouth.net Telephone: 770-517-3749
- Sara Porter -- E-mail: sjporter@tredegar.com Telephone: 513-779-2651

Thank you for your participation in this fun event. Consider arriving Saturday to be fully rested for a good round!
